Dear Parents and Caregivers,

As the end of Term 3 approaches I would like to acknowledge the achievements and extraordinary amount of hard work undertaken by the students, staff and parents during this term. The Masses, Liturgies, celebrations, excursions, carnivals, gala days, concerts, boot camps and Voice of Youth are just some of the amazing opportunities and experiences that have only been possible because of the work and commitment of the students, teachers and parents. I hope and pray that the community of St Matthews continues to work together to ensure that the children have these wonderful opportunities each and every term. St Matthews strives to be a faith filled community where each and every child and family feels welcomed, supported, successful and loved.

As we approach the holidays I would like to share with you a message from Pope Francis.

POPE FRANCIS

“When I hear the confessions of a father or mother who has young children I ask them if they have the time to play with their children. Values and lessons are transmitted through playing. Do you have time to get on the floor and play with your children? This is big. Never lose this. Know how to spend time with your children.

This language of love, that you share through play and through time spent with your children is able to transmit all the values of our faith.”

I hope that you are all able to find the time to “play” together as a family over the coming few weeks. I wish all of our families a very relaxing, enjoyable and safe holiday. I look forward to welcoming everyone back on Monday October 15th. Remember that our school day begins at 8:55 am and that all parents are invited and welcomed to attend our assembly and prayer on a Monday morning.

Thank you for your continued support.

God Bless,

Janine Whiteman,
Acting Principal.

PLAYGROUND UPGRADES

During the holidays it is planned that a new air-conditioning unit will be installed in the COSHC space. Over the coming months there are also plans to upgrade the playground. Final specifications and quotes are being considered in relation the installation of more artificial/synthetic grass in the playground so that the play areas for the children are improved and made safer. This may involve the relocation of the Mary Garden, all plants and shrubs will be relocated and replanted in a more suitable area of the playground. The student toilet blocks will also be undergoing a refurbishment during the year. We will keep everyone updated as we have more specific information related to proposed starting dates and the scope of work involved.

MRS MOUSSA MATERNITY LEAVE.

Mrs Moussa will start her maternity leave at the end of this term. We wish her well for the birth of her baby and look forward to more news when the baby arrives. I would also like to welcome Miss Danielle Galea to the community of St Matthews. Danielle will be replacing Mrs Moussa and will be working in Year 2 for the remainder of the year. Miss Galea has experience working in early childhood education and is also familiar with the St Matthew's community and school.

UNIFORM

The wearing of the correct school uniform by all of our students fosters a sense of belonging and pride in our school. Students are expected to wear the correct school uniform every school day. An essential part of our school uniform is the expectation that all children will wear their school hat every day.

As part of our "No Hat No Play" policy all children who are not wearing a hat will be directed by a teacher to sit under a shaded area on the playground. Children must also wear their hat during sport and will have to sit in a shaded area if they do not have a hat.

Thank you for your support in ensuring that full school uniform is worn by your child to school every day.

DELIVERY

Delivery is every Friday during the school term.

Orders must be placed by 4:00pm Monday for delivery that week.

Greetings St Matthew's School Community! We are already near the end of another term. This term has been filled with so many learning experiences and opportunities to glorify God. Thank you to everyone who came to our School Parish Mass last Saturday night. We pray for all the students who have enrolled in the Sacrament of Penance. May the Holy Spirit strengthen these children and their families to experience the mercy and love of God.

St Matthew's Feast Day Mass

This Friday is the feast of St Matthew. Everyone is invited to join us at 9:00 am in the Church. St Matthew was one of Jesus' apostles and an example of someone who was called by God to follow Him: and he did. St Matthew was a tax collector and was hated by his community because he collected money from them for the Romans. Jesus even went to Matthew's house for dinner - which caused the Pharisees to be completely shocked. They questioned Jesus on why He was eating with sinners?

Jesus' answer was, " Those who are well do not need a physician, but the sick do. Go and learn the meaning of the words, ' I desire mercy, not sacrifice. ' I did not come to call the righteous but sinners". (Matthew 9:12b-13)

St Matthew followed Jesus and proclaimed the Good News by his life and by his word. He was honest enough to admit that he was one of the sinners Jesus came to call. St Matthew recognised truth when he saw Jesus. " And he got up and followed Him". (Matthew 9: 9b)

Meeting Jesus changed Matthew's life. Let us pray that the words of the Gospels bring us closer to Christ.

Plenary 2020

What is Plenary 2020?

- Plenary 2020 is the name given to a process initiated by the Australian bishops.
- Our bishops are inviting people to engage in listening, dialogue and discernment about the future of the Church in Australia around the Plenary Council meetings in 2020 and 2021.
- A Plenary Council is the highest form of gathering that a church in a particular country can have. It is a process by which lay people and clergy can be heard and has legislative power. (Pastoral Planning Office. Diocese of Parramatta.)

What do you think God is asking of us in Australia at this time?

Voices from the Classroom.

What are you learning about God in Year Three?

In Year Three we are learning about Mary. We know that she said "Yes" to God and trusted Him completely. She was a woman of faith, filled with the Holy Spirit. We know that there are many Gospel stories that tell us about Mary and Her faithfulness to God. We honour and celebrate Mary through prayers like the Hail Mary, the Angelus and the Hail Holy Queen, and through feasts and seasons during the Church's liturgical year. We love Mary our Mother and we are thankful that she said "Yes" to God.

Year Three Students.

I wish everyone a great last week of school and a safe two weeks holiday. We ask for the protection of our Mother Mary during our time of rest and relaxation.

God Bless.

Ann Climpson

Suitable for years 2 - 4

Hello everybody, it's me, Henrietta the Great Go-Getter, and I'm having a big think. Right now I'm thinking I'd like a baby sister, so I can dress her up in different sorts of hats. But Mum says we'll have to wait and see. I'm terrible at waiting.

Meanwhile, I'm an explorer of life, and that includes trees, bugs, animals and all mysteries. I'm going to school for the very first time, which means I might have to go as a spy so that I can have a secret peep inside...

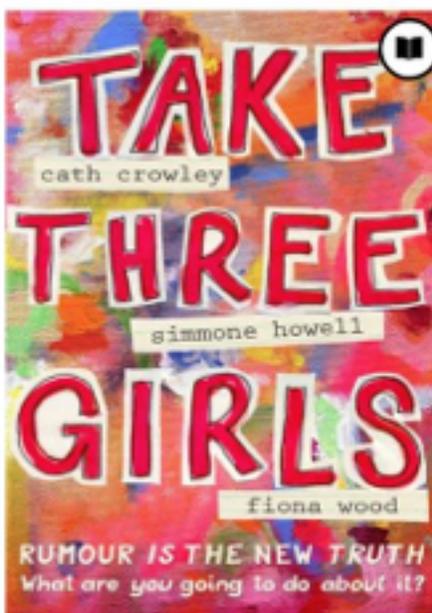

When Henrietta sees Olive Higgle crying in the classroom, she goes on a rescue mission and finds that you only need one friend in a room full of strangers to feel perfectly happy.

Natural Fertility Services

"My husband and I opted for Natural Family Planning (NFP) after our first baby, we'd struggled with other means of fertility management prior to this. Since then, we've been shocked by just one thing, hardly anyone knows about it! Our educator has patiently guided us in learning, implementing and having confidence in ourselves. Best of all, NFP goes hand-in-hand with faith, as God's handiwork is on vibrant display in the human body. Beyond its practical benefits, NFP has revealed to us the astounding mechanisms that God has set in motion in our bodies to create life. NFP is family planning God's way".
