Dear Parents,

Welcome to a new year at St Matthew's. As always, I am very proud of our beautiful children. They are treating each other with respect and understanding, focusing on their learning and working together as a faith community. Each morning in class the children start their day by reciting our school prayer. It is a lovely way to begin each day of faith, fun and learning.

Our children are very settled and enthusiastic about their learning. Our new Kindergarten students have been particularly impressive and are well and truly already part of our St Matthew's community.

## Grade Information Evening

Thank you to all families who attended the information evening last Wednesday. The information evening serves as an opportunity for all involved in the education of the children to establish an understanding of class expectations and routines for the year ahead.

## Opening School Mass

Our Opening School Mass will be held tomorrow 15th February in St Matthew's Church commencing at 9.45 am. Everyone is most welcome to come and to be part of this wonderful celebration of our Faith. The children really enjoy having their parents present, if it is possible. We hope you can attend on this special occasion as we gather to pray for a safe and enriching year for everyone in our school community. At the mass we will present our new Kindergarten children to the school community as well as commission our Year 6 students into their leadership roles for 2019. Parents are most welcome and are encouraged to attend. We hope you can join us.

## Welcome BBQ

We look forward to gathering with our new families across Years 1 to 6 and all Kindergarten families on Friday 22nd February for a welcoming BBQ, commencing at 5:00 pm under the COLA and in our playground.

## Canteen Update

Our new canteen operator Mel's Cakes and Catering will begin setting up next week and will begin trade from **Monday 25th February**. The canteen will operate Monday, Tuesday and Wednesday of each week. Options for ordering lunches and a menu are on page 5. Melissa will also make use of Facebook to advertise special lunch deals and other specials.

## Parent Forum

On Wednesday 27th February there will be the opportunity to join a parent forum to discuss and give feedback on various initiatives related to learning and student needs at St Matthew's. There will be two sessions for this hour long forum.

The first will be from 2:15-3:15 pm and the second from 6:30-7:30 pm.

All parents are warmly invited and we hope that you will be able to attend.

## Student Leaders 2019

Our student leaders for 2019 will be commissioned into their new roles at tomorrow's Mass. We look forward to their enhanced participation and representation in our school community in 2019.

## **HOMEWORK POLICY**

Some questions regarding the school's homework policy were raised by some parents during the Information Sessions last week. The following comes from our school's Homework Policy and gives clarity to the school's position.

### **Rationale**

*St Matthew's* Homework Policy has been developed through consultation with parents, students and teachers. It takes into account the need for students and their families to have a balanced lifestyle. This includes sufficient time for family, recreation and cultural pursuits.

In line with the Department of Education and Community it is important to note that homework is not a compulsory activity. Homework that is set is given to reinforce concepts being taught in class. The responsibility for overseeing homework lies essentially with the parents. Homework should not be a cause of stress or upset for children or parents. The emphasis should always be placed on the learning value.

### **Aims**

*St Matthew's* places great focus and energy on literacy and numeracy skills. We desire that our students:

- cultivate a passion for reading, becoming highly effective readers and seeing reading as a foundational skill to powerful learning; and
- acquire a love of Mathematics, becoming numerate learners by developing the knowledge and skills to use mathematics confidently across all areas of their lives.

### **Implementation**

Homework is seen as valuable when it is undertaken in partnership between home and school and when it provides parents with an opportunity to be part of their child's formal learning. Homework practices aim to take account of the variety of family circumstances and the diversity of parent beliefs about homework. Whilst the staff of *St Matthew's* School will set homework activities and check them on a weekly basis there will be no punitive consequence for not completing set tasks. The completion of homework is at the discretion of parents and dictated by family circumstance. We do ask that if tasks are not completed that parents notify the class teachers by a note on the homework sheet or through another means of communication.

### **Homework will be given on Friday and returned to school the following Friday.**

The quantity of homework needs to be manageable and takes into consideration:

- The age appropriateness for students
- Student's commitments for out of school hours activities such as sport, cultural activities, tuition and home responsibilities,
- Access to resources and technology beyond school, and
- Clearly communicated to each student.

For further information included in our Homework Policy a copy can be provided on request.

The participation of parent volunteers and helpers in school activities is greatly valued and appreciated at St Matthew's. We know that the school home relationship enhances and supports the learning for all of our children.

In order to volunteer in the classroom, at swimming or sports carnivals or on school excursions all parents/carers and grandparents are required to complete the Building Child Safe Communities – Undertaking For Volunteers. Building Child Safe Communities' is a Catholic Education Diocese of Parramatta requirement that enhances our commitment to ensuring the safety and wellbeing of all students in our care.

Greetings St Matthew's School Community! Welcome back to a new and inspiring 2019. Everyone has come back from our break ready to learn, accept new challenges and to aim high in everything we do. There will be many opportunities this year to come together as a school, class and parish community to be united in faith through prayer. As we walk on Holy Ground here at St Matthew's, we strive to glorify God in all things we do.

### **Welcoming School Mass**

This Friday, 15th February, at 9.45 am, we are having our whole school Welcoming Mass. Everyone is welcome to join us in prayer to celebrate the beginning of a new school year. We welcome and bless our new families, Kindergarten, staff, Student Leaders and our whole school community and their families.

### **Plenary 2020 Meeting**

Everyone is invited to join other Parishioners from St Matthew's to a meeting in the Parish Hall on Thursday, 21st of February, at 7.30 pm. This will be an opportunity to voice your ideas and thoughts on the future of our Catholic Church. Please come along and be part of shaping our Catholic Church so the Holy Spirit can flow through our whole community.

### **Parish Masses on Wednesday's at 9am.**

Every Wednesday at 9:00 am, one class from St Matthew's goes to Mass with the Parish community. You are most welcome to come along when your child's class is rostered on.

Father goes into the classroom on the Tuesday before to speak to the students on what they are learning. This has been a very valuable opportunity for the students to ask questions and learn more about their faith.

Our coach Fiona Roseby has been teaching tennis to students in the Hawkesbury for a few years and is excited to be back doing morning lessons to get students moving.

**BOOTCAMP** is on again!! Every Thursday morning at 8:00 am students are invited to come along for some extra fitness. Students will meet at the front gate of the school each morning. If your child attends COSHC in the morning please speak to them regarding permission to attend. Kind regards,

Mrs Brand

## 2019 Diocesan School Fees

13 December 2018

Dear parents and carers

Please find below the Annual Diocesan fees schedule for 2019. The new schedule includes a very modest 2.7% increase on the fees from 2018.

School-based fees will also be limited to a 2.7% increase. School-based fees cover the costs of important things such as technology and school administration.

School fees are generally billed in instalments during Terms 1, 2 and 3. The fee is made up of three main parts:

### 1. Diocesan tuition fee

These are set by Catholic Education Diocese of Parramatta and are the same for every school. There are **significant sibling discounts** for families with more than one child at a Catholic Education Diocese of Parramatta school (it does not have to be the same school).

Those discounts and a list of the annual Diocesan tuition fees for 2019 are outlined below.

#### 2019 Diocesan tuition fee schedule (per year)

	1 <sup>st</sup> child (100%)	2 <sup>nd</sup> child (75%)	3 <sup>rd</sup> child (50%)	4 <sup>th</sup> Child (0%)
Kindergarten	\$1,206	\$903	\$603	No fee
Years 1 – 6	\$1,557	\$1,167	\$780	No fee
Years 7 – 8	\$2,157	\$1,617	\$1,080	No fee
Years 9 – 10	\$2,394	\$1,794	\$1,197	No fee
Years 11 – 12	\$3,057	\$2,292	\$1,530	No fee

### 2. Diocesan Building Levy

This fee is set by Catholic Education Diocese of Parramatta and is the same for every school. The annual Diocesan building levy for 2019 is \$804. **There is only one Diocesan building levy per family with one or more children in a Parramatta Diocesan school or at St Dominic's College, Kingswood** and it is billed in instalments over the first 3 terms of the year. A sibling discount of 50% is granted to families with children within the bordering Archdiocese of Sydney and Dioceses of Wollongong and Broken Bay.

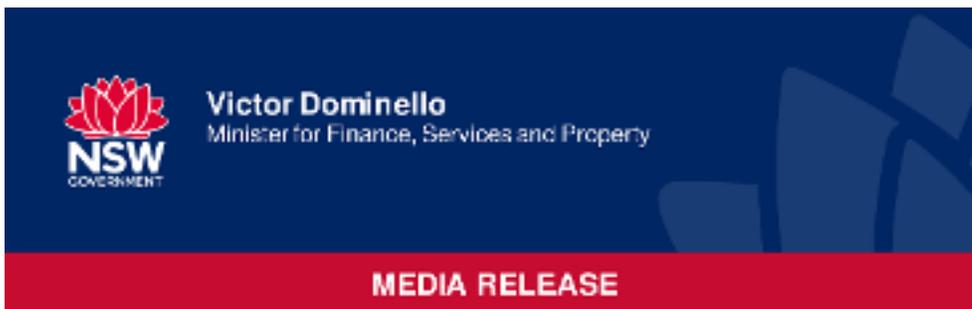

### 3. School-based fees

These are determined by the school according to the needs of that school and billable for each child. School-based fees are often called 'resource fees' or 'activity fees'. These fees help schools cover the costs of things like teaching resources, technology, excursions etc.

## \$100 Creative Kids Vouchers Go Live

As parents begin planning for the year ahead, they can now access Creative Kids vouchers, providing them with \$100 for every school-age child to help cover the cost of enrolment for creative and cultural learning activities. Parents can use one voucher for every school-age child per year to help meet the cost of structured creative and cultural activities, such as music lessons, languages, coding, drama and theatre, photography and graphic design. Minister for Finance, Services and Property Victor Dominello said the NSW Government's Creative Kids program builds on the success of the Active Kids program, which is back this year, helping to reduce the cost of registration for sport and organised physical activity.

### **\$100 CREATIVE KIDS VOUCHERS GO LIVE**

As parents begin planning for the year ahead, they can now access Creative Kids vouchers, providing them with \$100 for every school-age child to help cover the cost of enrolment for creative and cultural learning activities.

Parents can use one voucher for every school-age child per year to help meet the cost of structured creative and cultural activities, such as music lessons, languages, coding, drama and theatre, photography and graphic design.

Minister for Finance, Services and Property Victor Dominello said the NSW Government's Creative Kids program builds on the success of the Active Kids program, which is back this year, helping to reduce the cost of registration for sport and organised physical activity.

"The start of the school year is just around the corner and we are encouraging parents to get in early by jumping on the Service NSW website to register for their Creative Kids vouchers," Mr Dominello said.

"Involvement in creative and cultural learning activities is critical to a child's growth and development but the enrolment costs all add to the family budget and can be prohibitive.

"The NSW Government recognises that cost of living is a major issue for families and because of our strong budget position, we are proud to be providing this extra assistance for children to participate in these valuable creative and cultural programs.

"This program complements the hugely popular Active Kids voucher and for a family with two children, Creative and Active Kids combined will save you \$400 a year."

There are still thousands of providers out there which could be eligible to be part of the Creative Kids program throughout 2019. The Government is calling on them to register with Service NSW so that parents can claim their vouchers with them.

Creative Kids is one of a raft of NSW Government initiatives helping to ease cost of living pressure for households. Others include cheaper Green Slips and refunds, free car registration for regular toll users and the FuelCheck app. Further information on how to register as a provider and the program is at [www.service.nsw.gov.au/campaign/creative-kids](http://www.service.nsw.gov.au/campaign/creative-kids)
