Dear Parents and Caregivers,

Welcome back to Term 2. I trust that all have enjoyed a great rest and are ready to begin another great term of Fun, Faith and Learning at St Matthew's.

The ANZAC tradition was forged 103 years ago on 25 April 1915, when the Australian and New Zealand Army Corps landed on the Gallipoli Peninsula. It marked the start of a campaign which lasted eight months and resulted in some 26,000 Australian casualties, including 8,159 who were killed or died of wounds or disease. The bravery and spirit of those who served on the Gallipoli Peninsula shaped a legend, and so the 'ANZAC' became a part of the Australian and New Zealand lexicon. In 1916, the first anniversary on the landing was observed in Australia, New Zealand, England and by troops in Egypt. That year, 25 April was named 'ANZAC Day'. By the 1920's, ANZAC Day ceremonies were held throughout Australia and the states had designated ANZAC Day as a public holiday. Commemoration of ANZAC Day continued throughout the 1930's and 1940's with World War II veterans joining parades around the country. Over the ensuing decades, returned Australian servicemen and women from conflicts such as Malaysia, Vietnam, Korea, East Timor, Iraq and Afghanistan as well as peacekeepers and veterans from allied countries, now march proudly in the parades.

They shall grow not old, as we that are left grow old;

Age shall not wear them, nor the years condemn.

At the going down of the sun and in the morning

We will remember them.

Lest We Forget

Stage 3 organised and led the school in a very reflective and reverent prayer focusing on the resurrection of Jesus at Easter and the commemoration of ANZAC Day at our Monday morning assembly. During the prayer, we remembered all those who died defending our country during the wars which Australia has been involved in this century.

We pray that peace comes to our world:

Lord [Jesus](#) Christ, Bring peace into the world

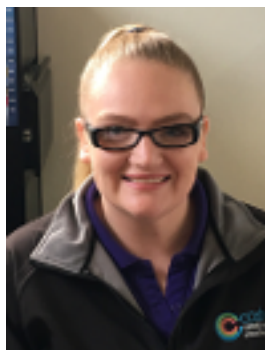

By bringing Your peace into the hearts of all.

Help us to follow You in love and service.

Amen

NEW LEARNING SPACE/COSHC UPDATE

Following on from the recent update on the new learning space, it is expected that the process of installation will begin very soon, possibly as early as next week. The top part of the playground will be fenced off for the duration of the installation with the completion of the work expected to take approximately 4 weeks. Once complete Year 4 will move into this new space with the current Year 4 classroom becoming a dedicated COSHC space. This will allow the COSHC to have an increased capacity, being able to cater for up to 45 children at a time. Our new COSHC coordinator Mrs Keira Lahoud has started working on site during the holidays and this week.

Keira is keen to hear from any family who is interested in making use of the COSHC service. There is space on all days, however some days have only a few places available. Keira can be contacted via email at coshcstmatthewswindsor@parra.catholic.edu.au or by calling 0418 170 921.

As a staff we look forward to continuing to work with you, as the first educators of your children, in their growth in faith and their learning as well as strengthening the connection between school and home.

In partnership let us continue to work to develop in the children strong minds and gentle hearts.

Peace & best wishes

Tim Vane-Tempest

Principal.

TELL THEM FROM ME SURVEY

This survey is an opportunity for our school to gather valid and reliable data from students, teachers and parents. This data can be readily used for school improvement planning and evaluation while providing insight on what Catholic Education Diocese of Parramatta key members have to say about Engagement, Well-being and Effective Teaching.

The upcoming survey will be available from 21st May - 4th June. The survey can be completed at any time during this period with surveys taking approximately 20 minutes to complete. All surveys will be automatically closed on 4th June at 5:00pm.

The student survey is completed during class time. Parent consent ensures that parents have information about the initiative and an opportunity for their child to 'opt out'. A letter will be sent home in the next week for those students eligible to complete the survey which will include further information as well as a form to withdraw your child from the survey if you wish.

TERM 1 SCHOOL FEES ARE NOW OVERDUE

Catholic Education Diocese of Parramatta have confirmed all of the mistakes made with the roll-out of the new billing system have been rectified.

Any unpaid Term 1 fees will be included in Term 2 statement.

Any family that is experiencing difficulty paying the fees is asked to contact Stacey Roberts or make an appointment to discuss with Tim Vane-Tempest.

School fees can be paid by BPAY/EFTPOS or cash at the school office.

TEACHERS AS LEARNERS

Congratulations to Miss Schembri who attended her graduation ceremony at the end of Term 1. This is a significant event for Miss Schembri as she begins her teaching career. Teachers are always on a path to improvement from their professional reading, professional learning and working together with their teaching partners. Teachers are also required to keep a log of their professional learning and practice to meet standards for their ongoing accreditation to teach. This process has been in place for teachers who trained from 2004 onwards. At the end of Term 1 Mrs Galea, Miss Viviani, Miss Schembri and Mrs Burke attended professional learning in Mathematics. This week Miss Keane begins training as a specialist support teacher for Year 2 reading, while next week Mrs Moussa, Miss Viviani supported by Miss Keane and Mrs Whiteman will attend our annual compliance process which checks the quality of our teaching programs.

ANAPHYLAXIS

There has been some conversation among some in the parent group regarding bringing nuts and nut products to school. St Matthew's is a nut aware school, meaning we are aware of the potential risks that nuts and nut products pose to children with anaphylaxis. One important action that supports the school and our community is the limiting of such foods as nuts, nut products like nut based spreads (peanut butter and nutella) as well as egg based products from coming to school. Also we have a clear expectation that children do not swap or share food due to the risk of an allergic reaction. It is important to understand that anaphylaxis is potentially life threatening and always requires an emergency response. There are number of children at St Matthew's who have an extreme, and potentially life threatening reaction, to some allergens including nuts, eggs and insect stings. We ask parents and carers for their support in avoiding the possibility of this happening by not sending foods with these known allergens to school to ensure the wellbeing and safety of all children.

Last term we gave you a brief overview into what PBS4L is. It is about schools, families and the wider community working together to

- Improve student learning outcomes by
- Increasing appropriate behaviours and
- Decreasing the incidents of negative behaviours across the school.

How will PBS4L operate?

- Our St Matthew's community has four expectations - that we are SAFE, RESPECTFUL and RESPONSIBLE LEARNERS.
- Our expected behaviours will be taught to the students for the differing situations that occur at our school.
- Staff will monitor the achievement of these expectations.
- Data will be collected, analysed and used as a means for setting future goals and targets.
- Behavioural errors will be corrected and supported.
- The implementation and achievement of success will take time to be fully embedded into our school culture.

Don't forget that this term, St. Matthew's will be running a competition to help us get our PBS4L up and running. We need everyone to be involved. So...

Greetings St Matthew's School Community! Welcome back to another term of learning, growing, prayer and friendship. The term started in prayer with our ANZAC Day liturgy prepared by our Stage Three students. We remember all the men and women who have died in war and the many people who suffer the effects of war today.

Hospitality Sunday Mass

This Sunday the 6th of May, St Matthew's School will provide the morning tea after the 9am Mass. If you are able to donate cakes or biscuits, it will be greatly appreciated. You can send food to the office this Friday or drop off the food at the church on Sunday morning at 9 am. Thank you again for your generosity.

Mother's Day Liturgy and Breakfast

Who cooks our meals each day, washes our clothes, takes care of us when we are sick or sad – Mum! (Yes, Dad's do these things as well) The list is endless! A mother works hard and is always there for everyone, everyday. We appreciate our mothers and everything they do for us.

We would like to invite all our mothers, grandmothers, great grandmothers and carers to a special Mother's Day Liturgy and breakfast on Friday, 11th of May, for a 7.30 am start in the church. After the liturgy, breakfast will be served in the hall.

Mary Our Mother

Mary is the most special of all mothers. Jesus gave us His mother Mary as our mother, when He was dying on the cross. Mary loves us and helps us come closer to Her son Jesus. There are special times when Catholics honour Mary. The month of May is Mary's month. During the months of May and October, we pay special attention to praying The Rosary. Even saying one decade a day is a special way to grow stronger in our faith. Mary is an example for us. Her faith was very strong and She never stopped trusting in God.

"I assure you that if you have faith as big as a mustard seed, you can say to this hill, 'Go from here to there!' and it will go. You can do anything!"

Matthew 17: 20

Praying the Rosary

The Rosary helps us to pray to Jesus through Mary. When we pray the Rosary, we think about the special events, or [mysteries](#), in the lives of Jesus and Mary. The Rosary is made up of a string of beads and a crucifix. We hold the crucifix in our hands as we pray the [Sign of the Cross](#). Then we pray the [Apostles' Creed](#).

Between the crucifix and the medal of Mary, there is a single bead, followed by a set of three beads and another single bead. We pray the [Lord's Prayer](#) as we hold the first single bead and a [Hail Mary](#) at each bead in the set of three that follows. Then we pray the [Glory Be to the Father](#). On the next single bead we think about the first mystery and pray the Lord's Prayer.

There are five sets of ten beads; each set is called a decade. We pray a Hail Mary on each bead of a decade as we reflect on a particular mystery in the lives of Jesus and Mary. The Glory Be to the Father is prayed at the end of each set. Between sets is a single bead on which we think about one of the mysteries and pray the Lord's Prayer.

We end by holding the crucifix in our hands as we pray the Sign of the Cross.

Open Day at Windsor Fire Station

Firefighters are encouraging people to visit Windsor Fire Station at 1 Anderson Place, South Windsor for the Fire & Rescue NSW (FRNSW) annual Open Day on Saturday, 19 May 2018.

Windsor Fire Station will be open from 10.00am to 2.00pm and families can go along and meet their local firefighters and learn more about home fire safety and fire prevention.

A range of free activities will be on offer; including firefighting demonstrations, station tours and fire safety presentations. Firefighters will also be able to provide advice on installing or replacing smoke alarms, and preparing a home fire escape plan.

Children will be able to see the fire engines and firefighting equipment up close – always a highlight of this much-anticipated day. They'll also be able to take home a "Brigade Kids" activity booklet, which teaches them vital fire safety lessons.

Station Commander Kim Roche said FRNSW firefighters - who are amongst the most highly trained in the world - do so much more than just fight fires.

"This year we are reminding people about the wide range of our capabilities," he said.

"From chemical spills, car accidents and natural disasters to education, prevention and humanitarian relief, across the state, across the country and even overseas, our firefighters are prepared for anything, anywhere, anytime."

Station Commander Roche said Open Day is a great opportunity to talk to the experts about making homes fire-safe ahead of winter.

"Why not come along to Windsor Fire Station this Open Day and hear about all the things we do in the community," he said.
