Dear Parents and Carers

What an amazing year! As 2017 comes to a close, we reflect on what an amazing year of faith, fun and learning we have had. We have been blessed in 'Glorifying our God' in so many ways throughout the 2017 journey.

Thank you to the children. They are the reason we are here. Their enthusiasm for life and learning is a wonderful example to us all.

I wish to take this opportunity to thank the teachers for their dedication and commitment to Catholic Education over the past year. Together they facilitate learning so that the children work towards reaching academic and human excellence in a faith filled community. Their generosity in terms of time, themselves and sharing of skills is often outside the normal hours of the day but it is in their giving so much that they receive.

Our sincere thanks to our support staff and office staff. Their smiles greet so many and their support for the children, parents and staff is uncompromising.

To Mr Munsey our grounds and maintenance man who keeps our school looking so good and functioning as a learning environment, we say thank you.

I would like to also sincerely thank St Matthew's Assistant Principal, Mrs Digwood for her outstanding support to myself, the teachers, the children and school community. Her expertise, dedication and leadership are very much appreciated. As she moves to her new role at Our Lady of The Rosary Kellyville, we thank her for her contribution to our community and wish her every success.

We are blessed to have had Father Robert guiding our parish community in its spiritual journey and relationship with Christ. We thank him for his faith, love and care.

To you, our parents, the primary educators of your children, I give thanks for your support and partnership in providing so much for the children. No matter what your contribution over the year, big or small, it is appreciated and has benefited the children.

We wish all those venturing on from St Matthew's the best that life has to offer and welcome new families to our community for next year. THANK YOU to each of you, whether you have been with us a little or a long while, we will miss you. Your contribution to St Matthew's has been very much appreciated. We wish you God's blessings for the journey that lies ahead.

I look forward to another year of faith, fun and learning in 2018. May God's blessings be with you and your families during this special festive season. Merry Christmas to one and all.

In partnership let us continue to work to develop in the children strong minds and gentle hearts.

STAFFING UPDATE

Earlier this term I shared that our Music/Drama teacher would be Mrs Vanessa Buchardt. Mrs Buchardt has informed that she is unable to take up her position in 2018.

Last week we were able to appoint Miss Abbey Pollack to this position for next year.

Also Mrs Lauren Athanasiou has been appointed as our Japanese teacher for 2018. We look forward to welcoming Miss Pollack and Mrs Athanasiou to the St Matthew's community at the start of the 2018 school year.

CHRISTMAS CONCERT TONIGHT

Our Christmas Concert is tonight. We look forward to seeing all families and students present at this whole school celebration. There is a gold coin donation and BBQ is open from 5-6pm with the concert starting at 6:00 pm and finishing around 7pm. All children are asked to come dressed in the Christmas colours outlined in an earlier note.

YR 6 FAREWELL & END OF YEAR MASS / HELPERS MORNING TEA

The Farewell and End of School Mass will be at **9:45 am on Tuesday 12th December**.

The mass will incorporate the awards ceremony for the Yr. 6 students. The mass will be followed by a morning tea in the Hall for all family and friends of the Year 6 students, as well as a thank you morning tea for our many highly valued parent helpers as we celebrate the work of many committed, tireless volunteers who contribute significantly to the opportunities provided to the students.

We are looking forward to a great celebration to conclude both the Primary schooling of our Year 6 students and the academic year at St Matthew's.

NEW LEARNING SPACES

Last week I was informed by Mr Mark Holyoake that the School Provisioning Committee of the Parramatta Diocese, which approves all school building projects at the Catholic Education Office, has reviewed the proposed learning spaces planned for St Matthew's. The committee has decided to reduce the scope of the project to one learning space rather than the two spaces originally planned. There are a number of reasons for the reduction in the scope of the works including the need to develop a holistic plan for all

Hawkesbury Catholic schools with an eye to the impacts and demands that future development will have, the total number of enrolments projected for 2018 at St Matthew's, as well as the individual group sizes in each grade. Whilst this late decision is disappointing the provision of the additional space will allow for some future expansion whilst the holistic plan is in development. As this decision has been delayed the flow on will mean a delay in the completion of the project. It is now expected to be completed by the end of February. Year 3 will continue to share their learning with COSHC until the installation of the new space is completed. The new learning space will be used by Year 3 once completed. All other Year and Stage groups will continue to be in their current spaces.

LIBRARY

Please make sure you have a good look at home and return all library books to school before the end of this term,

Thank you,

7th December 2017

Dear Parents & Caregivers,

In preparation for the 2018 school year, I would like to inform you of some important information, key events and initiatives that have been planned for 2018.

Mathematics Assessment Interviews MAI Screening

MAIs will be conducted on Monday 29th & Tuesday 30th January. The information that will be gathered from these interviews is extremely valuable to teachers in knowing where to begin the teaching process to maximize learning for all students. There have been questions about the timing of these assessments from some parents. The Growth Point Framework is based on each child's mathematical understanding at the **beginning** of each school year. To conduct these assessments at any other time during the school year would mean that we do not gather accurate assessment information. Also by completing the MAIs before formal lessons begin the interruption to learning and classroom routines at the beginning of the year is minimised.

First Day For All Students

All students will begin the new school year on Wednesday 31st January. Students in Yrs 1-6 will begin with a whole school assembly under the COLA at 9am. All beginning Kinders will meet with their parents and teachers in the Hall from 9:15 for a Welcome Prayer. After the children leave for the first day there will be a Tissues, Tears and Tea for the parents.

New Learning Spaces

Last week I was informed by Mr Mark Holyoake that the School Provisioning Committee of the Parramatta Diocese, which approves all school building projects at the Catholic Education Office, has reviewed the proposed learning spaces planned for St Matthew's. The committee has decided to reduce the scope of the project to one learning space rather than the two spaces originally planned. There are a number of reasons for the reduction in the scope of the works including the need to develop a holistic plan for all Hawkesbury Catholic schools with an eye to the impacts and demands that future development will have, the total number of enrolments projected for 2018 at St Matthew's, as well as the individual group sizes in each grade. Whilst this late decision is disappointing the provision of the additional space will allow for some future expansion whilst the holistic plan is in development. As this decision, has been delayed the flow on will mean a delay in the completion of the project. It is now expected to be completed by the end of February. Year 3 will continue to share their learning with COSHC until the installation of the new space is completed. The new learning space will be used by Year 3 once completed. All other Year and Stage groups will continue to be in their current spaces.

Canteen Operations in 2018

In our Week 7 Newsletter we advised that the canteen operator and the days of operation have changed. The new operator is Tuckshop 2 U which is a mobile canteen service. The operating days will be Monday & Friday. Tuckshop 2 U offers a full food service and can provide both lunch and afternoon recess. It is hoped that with an increase in demand we will be able to build the days back to the canteen being open for the full week.

Since this announcement we have looked at alternatives for how we can provide a limited service to the students on Tuesday, Wednesday and Thursday. Starting in Week 2 of Term 1 we will have a stand that will sell a limited range of items including drinks (juice and water), ice blocks and ice creams as well as a small range of snacks. There will be no lunches available from this stall and there will be no need to pre-order. We are also looking to have special lunch days during each term.

Opening School Mass - Our opening school mass will be at 9:30 a.m. on Friday 16th February. At this celebration, our Year 6 SRC and Sports Captains will receive their leadership badges and our new Kindergartens will be formally welcomed to our school community. All parents are warmly invited.

Welcome BBQ- will be held on Friday 9th February from 5:00-8:00 pm. More information will follow in the first week of 2018.

Sports Uniform - All students will wear their sports uniform on two days in the week. **All students will wear their sports uniform on Wednesday** and one other day in the week which will be the day for their PE lesson. The days for each Learning Group is listed in the table below:

Stage Group	Days for Sport Uniforms

Year 1	Wednesday/Thursday

Easter - 30th March - 2 April, inclusive of these days.

Other Important Matters

Regular Attendance - Every Learner Every Day

Once again in 2018 student attendance at school will be a major focus. Daily attendance at school is the most certain way to ensure that children achieve to the best of their ability. In 2017 we were able to increase average daily attendance to 87%. In 2018 the Every Learner Every Day campaign aims to have a minimum average of 90% daily attendance for all children. To achieve this the single most important factor is continued parent commitment to have your children at school each day before school starts. There will be regular reminders about attendance as well as the level of attendance for the previous fortnight in our newsletters, follow up on unexplained absences and extended periods of absence which have not been approved as well as recognising students who have achieved high levels of regular attendance. To start this initiative included with this letter are some simple statistics regarding the impact of regularly missing small periods of time. We look forward to working with all families in achieving this goal.

Library – Our school Library will be open each Thursday for borrowing and to provide our Stage 1 and Stage 3 teachers with part of their release for planning. The library will be open for borrowing in Week 3 on Thursday 8th February. Times for borrowing will be organized early in Term 1 and will be shared at the parent information evening. The Library will also be open each lunch for those children who wish to have an alternative to the playground.

Newsletters - In 2018 the Newsletter day will continue to be shared on **Thursday** of the odd weeks of the term. Most notes will also be sent home on this day. This is to ensure that all communications, as far as possible, go home on the day of publication and are not missed. There will be, on occasion, the need to send home notes on other days, however, Thursday will be the main day for notes to go home.

School Fees

There will be a change to the way that school fees are billed in 2018. Presently school fees are billed by term but from 2018 fees will be billed by instalments. There will continue to be 3 billing instalments in the year those dates will be 29th January to 17th May 2018, 18th May to 3rd September 2018 and the final instalment is 4th September to 21st December. All current payment options will be available in 2018. If you wish to discuss any matter related to school fees, please make a time to speak with Mrs Roberts and myself.

School Banking

In 2018 school banking, will be on Wednesday of each week.

Extra Curricula Partnerships

Our extra-curricular partnerships with Music Corp and Destiny Martial Arts will continue in 2018. More information will be shared early in the new year.

If you have any questions in regards to these matters, please do not hesitate to contact the school.

Greetings St Matthew's School Community! It is hard to believe that this Sunday will be the Second Sunday of Advent. Just as John the Baptist prepared the way for the coming of Jesus, we also prepare ourselves through our thoughts, words and actions. Thank you to all our students and their families who gave generously last Friday at the Christmas Hamper Mufti day. Many families in our community and beyond will be having a very joyful Christmas this year.

Social Justice at St Matthew's is alive and strong.

Year 6 Reflection Day

Two weeks ago, Year Six had a reflection day to prepare for their Graduation Mass. They started their day with Mass at 9am and then participated in activities and prayer throughout the day. The students demonstrated maturity, initiative and thoughtfulness in their creation of prayers, drawings and their reading of Scripture.

Their chapter of Primary School is ending, but they begin a journey of new learning, friendships, challenges and successes in High School.

We congratulate all our Year Six students and pray for them as they take with them the values and learning from St Matthew's and make a positive difference in the world. Good luck and God Bless.

The Feast of The Immaculate Conception of The Blessed Virgin Mary.

This Friday 8th December, is the feast of The Immaculate Conception of The Blessed Virgin Mary. The title of The Immaculate Conception recognises the privilege of Mary being born without sin- from the very first moment of life.

We honour Our Lady, our mother, and thank Her for saying "Yes " to God to become the Mother of God.

We ask Mary Our Mother to protect us as we celebrate the Birth of Jesus at Christmas and always.

St Nicholas Of Myra.

On Wednesday the 6th December it is the Feast of St Nicholas. He has many names: Kris Kringle, Pere Noel, Father Christmas and of course Santa Claus.

St Nicholas loved God very much and showed his love for others and God by giving to the poor. We give gifts to our loved ones because we are thankful. Thankful for their friendship, their love and care they show us. We are thankful to God for giving us life. St Nicholas gave to the poor to give them hope and joy.

I wish everyone a very Safe, Happy and Holy Christmas. May the Lord bless you and your loved ones.

Thank you for your continual support.

God Bless.
